Hello Again Denise,

I am enclosing what I have on Harvey and Family. The childrens names I have come from the KY State Birth Cds and are spelled just as the state has it recorded. According to the names you gave me, Mary must be Marie, maybe or Martha M. or J. Perhaps you can help sort out the true names according to the birthdates that I have.

Hello Denise;

I am a 4th cousin twice removed to Harvey Clell. I have been following the posts on Henson's and my file is a bit different from that of the Hinson man. I have the Kentucky State birth- death and marriage cd's and looked up the dates for Harvey Clell's children. I must say it's confusing. It appears some of the children's birth dates were forgotten and a couple of the children applied for new certificates using different dates.

I think I have it figured out that they had 9 children, is this what you have? Please send me what info you have or file and I will be happy to send you what I have.

I have Peter Harvey Henson as the son of Paul Henson Sr. and Margaret "Pegga" Smith and Paul Henson Sr. as the son of William Henson and Ann Jacobs. William Henson as Paul Henson, Jr. born 1762 as son's of Paul Henson Sr. born 1710. I would be happy to work and share with you Cousins on the Henson's and connecting lines. Looking forward to hearing from you soon.
